Did your children tell you about an exciting Musical opportunity that they can take part in? They could be part of a band.

It will cost around £10 per lesson (£40 per month which can be cancelled at any time). Another reminder to look on the council's website

- [Oldham Music Service](#) where you will find lots of fantastic musical opportunities.

Both opportunities will be worth it for the skills that your children will be gaining and for wider opportunities when they are older. Please take the time to consider both of these.

Why don't you try...

Greenhill News

This week the teachers have all shared with me updates on pupil's progress and attainment. I am very impressed with every class this term and how well they are doing!

Every class demonstrated how they meet the British Values in my assembly this week. Children presented their ideas in different ways and I was very impressed with their loud, confident voices in front of the whole school.

The Early Years team have been working their new provision this term for all the reception children to enjoy, they are looking forward to showing this with you.

Greenhill's Sport News

On Tuesday 19th March 2024, we went to Hathershaw to compete with another three schools in the Tag Rugby tournament.

We realised that speed and agility are the important skills in Rugby, that is why Mr Rahman chose us as we're the fastest athletes in school! We really enjoyed this opportunity to play a new sport to us and also meeting new people at the events– some of which were as good as us! The snatching of the tags were enjoyable as we soon learnt the skills and rules but we didn't enjoy getting 'tackled' and losing games. We were passionate about this new game and had lots of resilience especially after we lost our first game.

We all felt really proud of being chosen to participate in a new sport to us and definitely play again next year and hopefully be victorious!

Mixed Tag Rugby Team- year 5/6.
