

Year 2 – School Closure - 10th March 2023

Take AR® Quiz

Reading Challenge – This week we would like you to Go on to MyOn and read and quiz on your project books.

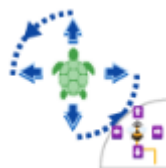

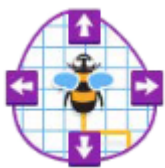

We will be looking at life cycles in Science next half term so these books will help us with our learning.

Maths –

Complete your 3 sessions in the Studio area Then practise your 3x in the Jammin area.

You have some challenges set on Purple Mash linked to our learning on Position and direction.

For more Maths fun complete 10 minutes on SumDog!

Literacy –

1- Practise this weeks spelling words by completing the Purple Mash 2Do quiz.

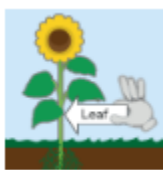

2- Can you write your alternative ending for Wendel's workshop? Think about your new robot and the adventure they went on! We will be sharing these to go into our school library so can't wait to see them.

Science –

Parts of a FLOWER!

Embed this weeks learning all about the parts of plants and flowers by completing the labelling task on Purple Mash or be as creative as possible and make a plant poster.

Computing –

You have shown an amazing start to creating a musical piece on 2Sequence! Create a tune for your families to dance in the snow to!

CGP SATs Preparation Books:

If you have already purchased and received your child's CGP books please support them by completing the following pages linked to this weeks learning.

Learning that is set is to be completed over a week and is not expected to be done in one sitting. Learning will be set for Reading, Grammar, Punctuation and Spelling, Arithmetic and Reasoning.

Please use the answer booklets to check children's understanding at home and teachers will check this to support with extra revision at school.
