Pronoun: used to replace a proper noun.
Be careful when rewriting that your sentence still makes sense. Read it twice before you hit the button.

Maths: TT Rockstars and Hit the button- remember, if you don't use it, you lose it.

Adding Fractions - Different Denominators

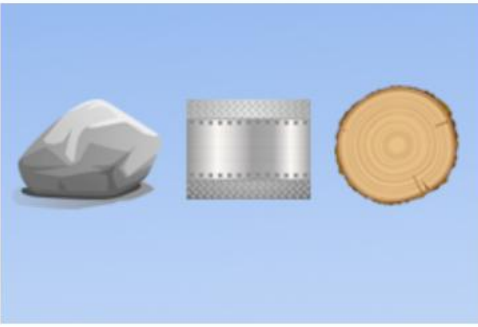

Add these fractions with different denominators.

Remember, you have to make the denominators the same.

Materials

Choose 3 materials and describe their properties.

Use this writing frame to compare the molecules in solids, liquids and gases during conduction.

Think about why solids heat up faster than liquids and gases because of how close their molecules are to each other.

Friday

Don't forget- we love seeing your home learning. You can always take a photo and email to school or tweet us! We are looking forward to seeing what you have been up to.
