

# The Harmony Trust Digital Summer Challenge

## 'Life from a different angle'

Can you create a video diary of the holidays following these rules:

- Each clip no longer than 10 seconds!
- Total running time of the diary can no longer than 1 minute!
- NO PEOPLE IN ANY CLIP!

*So how are you going to shoot the video clip...What will be your angle?*

Can you reduce your average time for answering questions on **Times Tables Rockstars**? Can you beat your best Soundcheck score?

What **topic** will you be studying in your new class in September?

- Can you **undertake some research** to WOW your new teacher?
- How will you present your information?

Why not experiment with your new iPad this summer?

Can you challenge yourself to have a go at some of these activities...or even think of some challenges of your own!!

## 'Around the world in 80 days'

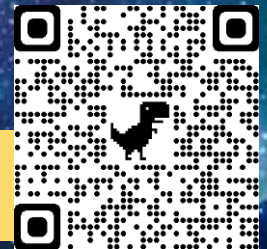

Why not use Google Earth to visit the some capital cities from around the world?

*Record some key facts about the different places in notes as a diary of your travels or even try out a green-screen presentation in iMovie!*

How many reading-minutes can you clock up on **MYON**?

Why not take the **Accelerated Reader** quiz after each book you read?!

**myON**  
by Renaissance

*For even more creative activities to try on your iPad, point your camera here:*
