A fun activity this week! Take a photo of an everyday object at home or outside and draw on it using Markup on an iPad to transform it into a character. Get started: Open your photo, tap Edit, then tap the three dots in the top-right to use Markup. It would be great to see your designs!

Why don't you try...

Greenhill News

This week we have all been extremely busy! The teachers have been finalising their assessments this week on what the children know and how they have made progress over the Spring Term! I am excited to meet the teachers next week to discuss each child's progress. We held a writing assembly today where every class showcased some writing, they were proud of.

Sadly, we say goodbye to Mrs Eastham at the end of this week who is leaving Greenhill after 9 years to progress in her career as a HLTA. We are sad to see Mrs Eastham go but we wish her every success in her next challenge.
