

Greenhill Newsletter

You can use Google Maps to show your child a location on the map. Ask questions and look for clues to figure out where they are in the world. For example, show your children a map of Egypt and the pyramids and get them to work out where in the world they are.

Why don't you try...

Greenhill News

Thank you all for working together to adjust to the new entrance and exit arrangements this week because of the snow. Year 1 did an amazing job with their assembly, showing off what they've learned and conquering their stage fright #beaperformer. We have a lot coming up in the next few weeks, so make sure to stay updated with school spider messages. And don't forget, next Friday is sporty wear day - bring in a bottle donation like shampoo, bubble bath, ketchup, or fizzy drinks! A polite reminder to all parents to complete the data collection form sent out earlier this week.
