

Spring 1 in Class 2 Reception

We love performing on our class stage!

I love cutting!

We had a visit from a witch called Baba Yaga who wanted to change the colours of everything so we had to make a potion to stop her!

We celebrated Chinese New Year by writing Chinese symbols, dragon dancing and making lanterns.

Class 2 had an amazing start to their Traditional Tales topic. We watched a performance of Sleeping Beauty with our parents.

I liked writing Chinese symbols.

The children made their own mixed up traditional tale stories as a group.

Sleeping Beauty was so funny!

We loved making our own stories.
