

Autumn 1 in Class 6 Year 2

I loved sharing books outside for Golden time.

I love art!

Class 6 loved learning all about India this half term! We have used lots of books to explore India as a country and enjoyed lots of narratives from India.

Class 6 had an amazing start to their India topic. We had a Bollywood dance workshop, tried traditional Asian foods and wore our special clothes.

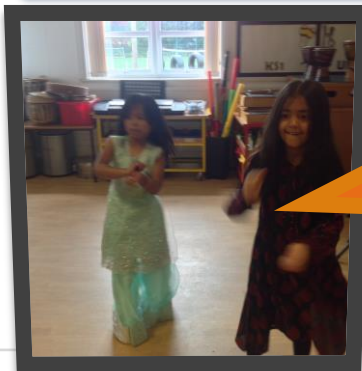

I liked using different materials to make a portrait.

We explored the artist Gogi Saroj and used her techniques to create a portrait of an Indian lady.

We have been learning all about different animals and their habitats in science.

I enjoyed learning different dance moves from India.

We made a habitat box to show what animals live in the jungle.

Autumn 2 in Class 6 Year 2

I made a space pack with my dad

I loved travelling to space but it made me feel sick

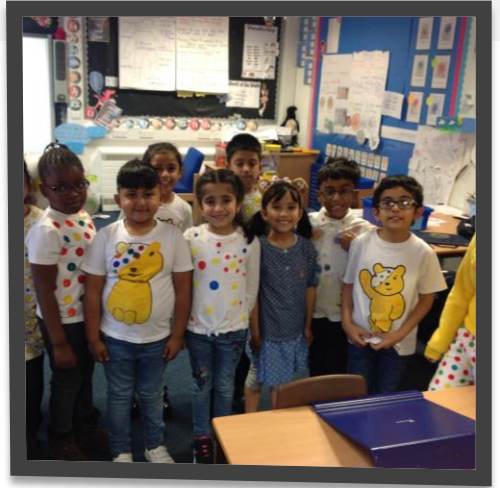

I enjoyed solving problems using the coins.

Class 6 used their understanding of number to learn about money and solve lots of problem!

Class 6 loved raising money for Children in Need.

I found making the moon buggy tricky but I had help from my friend!

We used our design and making skills to build moon buggies for Buzz Aldrin!

Class 6 loved learning all about Space this half term! We have used lots of books to learn about the history of the Space Race! We also read stories written by the famous astronaut... Chris Hadfield!
