

Year 3 Learning News

For Autumn 1 2019

Our new topics is...

Great Britain

We will be researching and exploring **Great Britain** and its Geography. The children will also research rivers, seas and mountains.

GEOGRAPHY

■ *Great Britain consists of England, Scotland and Wales. It's an island. It's situated in the west of Europe. It's washed by the Atlantic Ocean and the North Sea. There are a lot of rivers and lakes, valleys and forests, rocks and hills. Its landscape is very picturesque. The weather is usually wet and foggy. Great Britain has borders with France, Ireland and other European countries.*

Reminders

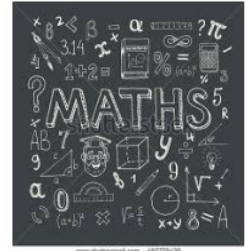

Please make sure your child brings their book bag to school **every day** so they can read and do the quizzes and also read with teacher. Please read with your child as often as you can.

Maths

Each week in Maths we will be learning our multiplication tables. These need to be memorised so your child can recall them quickly!

Throughout the half term we will be looking at number and place value, addition and subtraction.

What can you do to help...?

- ♦ Ask random times tables and encourage your child to go on TT Rock stars.- <https://ttrockstars.com/>
- ♦ Allow your child to pay for small items at the supermarket and support them with working out the change.

English

In our English lessons, we will be learning how to write adventure stories, character description, non chronological reports and write and perform their poetry.

Reading Comprehension

Please help to develop your child's **Reading Comprehension** skills by...

- ♦ *Asking lots of questions when you listen to your child read*
- ♦ *Get your child to **predict** the ending of the story*
- ♦ *Ask your child to **summarise** the beginning, middle and end of the story.*

Handwriting

Handwriting is also important. We would love for all our children to have lovely, neat handwriting. They can improve this by practising with their handwriting with their spellings homework.

PE and Games
