

# Spring 1 in Class 10 Year 4

Maths lessons with practical objects are so much fun!

Class 10 have really enjoyed French lessons. We have learnt lots of new vocabulary and have played lots of games.

We played unlucky 21 in French

We had a great day re-connecting with new friends when Mayfield came to visit. We did crafts all day!

Class 10 have loved learning all about the Romans and the impact they had on Britain. Performed a poem all about Boudicca to a year 3 class.

We went on an amazing trip to Chester as a WOW starter to our history topic.

We learnt the 'testudo formation which the Romans used to defend against spears and arrows
