

Be a fund raiser.

Helping others makes me feel happy.

I feel part of a team when helping to raise money for the school

Motivational

We keep the school as part of the community by involving the children and their parent's in our fund raising efforts at the winter fayre.

Year 6 got the whole school involved on their 'swap a trainer day' in their quest to support refugees in Oldham.

Co-operative

I struggled a bit to get the spots to stay on my clothes but I was resilient and didn't give up.

Resilient

We get involved in national fund raising events and we learn why we are raising money and how it helps others.
