

Be Respectful

It's important than we remember and respect the lives lost.

Tolerance

Our class Bucket Rules are designed to help us have respect for ourselves, each other and our school environment.

Honest

Each year on Remembrance Day we go up to the cenotaph to pay our respects to those who lost their lives during the war

Co-operative

I had to be very gentle when I was touching the animals.

By bringing workshop into school such as Zoo Lab and Rainforest animals we learn respect for animals and the environment.
