

Be an adventurer

I thought we wouldn't get to the other side but we all co-operated as a team.

It was hard to catch the fish at first but we were resilient and never gave up.

Co-operative

Team building and working together to learn new skills and have fun is the goal at Robinwood.

Each year we get to go to the Castleshaw centre and do lots of activities like pond dipping, river dipping, finding out about animals and the countryside and lots and lots of walking.

Communicator

Year 6 had to use their problem solving skills and work as a team to complete this scary task.

Resilient

I felt confident during this task and trusted my group because we all communicated with each other really well.
