Your first task is to read through the cut up parts of the newspaper article. As you do so you need to be looking for these features. You will need to watch the Macbeth story videos.

- Headline
- By-line
- Sub-heading
- Introduction (orientation) – 5W's
- Photographs
- Captions
- Quotes – direct speech and indirect speech
- Main events in chronological order
- Third person
- Past tense
- Conclusion

In your Literacy books you need to add the **date** and Learning Objective (LO)

You can download the article from this [blog](#).

If you have been able to print the mixed up article you will need to cut out the different sections. Your job is to put the article in the correct order.

If you don't have access to a printer, you will need to write the newspaper article out in your Literacy books in the correct order.
