LO: To create a newspaper headline and orientation

Thursday 15th October 2020

Your first task is to read through the cut up parts of the newspaper article. As you do so you need to be looking for these features. You will need to watch the Macbeth story videos.

You will need to watch the PowerPoint that looks like this first.

Your work today is on Purple Mash. You need to write a headline and the orientation.

Create your own newspaper article with this blank newspaper template.
