LO: To create a newspaper headline and orientation

Friday 16<sup>th</sup> October 2020

Your first task is to read through the cut up parts of the newspaper article. As you do so you need to be looking for these features. You will need to watch the Macbeth story videos.

You will need to watch the PowerPoint that looks like this first.

Your work today is order the events of Macbeth's death. You will need to write a small description of each of the events. Use the headings that are found in the table below to write the events in chronological order.

Macduff tells Macbeth he born in a different way	Macbeth sees that Birnam Wood is moving
Macbeth told that Birnam Wood is moving	The death of Lady Macbeth
Malcolm is crowned king of Scotland.	Macbeth is beheaded by Macduff
Macbeth attacks Macduff	Macduff's army approaches

Please not these are not in correct order.
